

Quick navigation guide – where to find information on the new library.gov.au website

10 December 2024

The new website contains more dynamically-generated pages, achieved through the use of tags and taxonomy terms, making it easier to find related content.

The following is a high-level mapping of the previous website structure to where the same information can be found on the new website.

Collections

Old NLA website	Where to find it on the new website	New URL
Collections	Discover	https://www.library.gov.au/discover
